## Nagarkot Day Tour & Hike

Nagarkot is most popular hill station very close on the eastern side of Kathmandu. It is just 32 km from Kathmandu, at an altitude of 2170m and can be reached by driving of 1 and half hour. The road goes past fields where they harvest rice, paddies and potatoes. Our plan is to hike up to Nagarkot and stay there for sunset views before finally getting back to Kathmandu.

|| On a clear day, views of a massive mountain range, including the Mount Everest are stunning. If you have a spare day in Kathmandu, you should come to Nagarkot for this amazing experience. ||

After breakfast, we drive to Sankhu that should take about an hour. From there, we hike nearly 4 hours to reach Nagarkot.

**This is how the day will be like -**

07:00 AM - Breakfast at Hotel  
 07:30 - Pickup at Hotel, drive to Sankhu (25kms, 1 hour)  
 08:30 - Start hiking from Sankhu to Nagarkot

Hike to top and lunch

17:00 - 18:00 - Watch sunset views and then drive back to Kathmandu

**Price:** Please email - [info@adventureimagine.com](mailto:info@adventureimagine.com)

**Ask us anything about the Nagarkot Day Tour & Hike:**

E-mail us at - [info@adventureimagine.com](mailto:info@adventureimagine.com)  
 and we will be happy to get back to you immediately.

**Who will be in the team?**

You, other participants (maximum 8) and a very friendly team member from our company.

**Note -**

It is also possible to organize visit to Nagarkot by car and without hiking. It depends on your preference.
